

## CAHSAH Members Share Their PROVISTA Experience

---

“After using Provista, we saved about 15% on the purchase of a new Xerox machine to centralize our printing and paperless document filing. We were very happy with the service and the delivery that was provided on this purchase. With easy sign in at their website and the great Provista representative I worked with, I will definitely be looking at all other Provista opportunities to save our company money in these difficult times. This is definitely a great benefit that CAHSAH provides its members!”

“We have been saving at least 30-35% on purchases and 30% on the printing of our training books! The Office Max rep made sign up very simple. We are very happy with the service, and the delivery has also been timely. I am a COSTCO shopper, but now for office supplies, I use only Office Max! This is an excellent benefit and more than pays for my membership in CAHSAH!”

“The partnership between CAHSAH and Office Max has been an extremely beneficial resource for Visiting Angels. We are not only saving 30-35% on our office supply purchases, but getting free next day delivery as well. The savings have been so impressive that I have started checking availability of other products I have never considered purchasing from Office Max before. I would highly recommend all CAHSAH members to utilize this benefit as it is easy to setup and has definitely saved us time and money.”
