### Overview

Compliance with the revised Home Health Conditions of Participation (CoPs) will be required effective January 13, 2018. Is your home health agency ready to comply with new conditions and standards related to Infection Control and Quality Assurance/Performance Improvement?

Attend this one-day, interactive workshop with Nancy McCoy and Mary Lou Connolly to ensure that your agency won't be caught unprepared. Nancy and Mary Lou are industry consultants who have worked with many home health agencies to improve compliance with the regulations and ensure satisfactory survey performance. They will provide attendees with practical tools and guidance during this workshop, including lecture, discussion and group work.

The focus of this program will be the revised Conditions of Participation with a brief review of all home health CoPs. The information covered throughout the duration of the workshop pertains to Medicare-Certified Home Health agencies only.
