What Is CAHSAH?

The California Association for Health Services at Home is the leading statewide home care association in the nation and the voice of home care for the Western United States. Founded in 1966, CAHSAH® has a long tradition of service to the home care industry and to the public.

Guiding Core Purpose

To promote quality home care and enhance the effectiveness of its members.

How are my Interests Represented?

Professional Representation

CAHSAH® meets regularly with state, federal and regulatory officials to represent your interests and ensure industry issues are monitored and addressed.

Grassroots Programs

CAHSAH® grassroot networks is an extensive network of home care providers throughout California who contact state and federal legislators on key home care issues. CAHSAH® members receive the opportunity to communicate with their legislative representatives regarding the impact of legislation and regulation on their businesses.

CAHSAH® also sponsors a Political Action Committee (PAC) to support the legislators who value home care and a Legislative Action Fund (LAF) to support grassroots legislative activities and materials.

CAHSAH® Annual Lobby Day

An opportunity to meet face-to-face with your state legislator on key home care issues.

Personal Influence

As a CAHSAH® member, you may serve on committees where you'll gain in-depth industry awareness and have direct input.
