1. **Definition of conflicts of interest.** A conflict of interest arises when a person in a position of authority over the Organization may benefit financially from a decision he or she could make in that capacity, including indirect benefits such as to family members or businesses with which the person is closely associated. 4. **Procedures to manage conflicts.** For each interest disclosed to the Chairman of the Board of Directors, the Chairman will determine whether to: (a) take no action; (b) assure full disclosure to the Board of Directors and other individuals covered by this policy; (c) ask the person to recuse from participation in related discussions or decisions within the Organization; or (d) ask the person to resign from his or her position in the Organization or, if the person refuses to resign, become subject to possible removal in accordance with the Organization's removal procedures.
