Certificate of Completion & CEU Credits

Provider approved by the California Board of Registered Nursing (Provider # CEP2463) for up to ten (10) contact hours of continuing education.

You must be present for the entire program to earn continuing education credit. No partial credits can be given.

Certificates are distributed at the close of the program.

Overview

The Patient-Driven Groupings Model (PDGM) represents the most significant change to the Medicare Home Health program since October 2000. It will radically change the payment methodology, including the unit of payment, the case mix adjustment, Low Utilization Payment Adjustment standards, and payment for Non-Routine Medical Supplies. By attending this two-day workshop you will be fully prepared to successfully work through these radical changes with PDGM. You cannot miss this very timely, imperative workshop!

Program Topics:

A variety of topics including a PDGM Overview, Clinical, Coding, Financial, Operations, and Business Analytics, you will:

- Outline the structure of PDGM and key points affecting you and your agency and the industry at large
- Develop a plan to control the impact of PDGM on your agency
- Measure the financial impact on your organization
- Outline how PDGM will require agencies to consider process changes in their business operations
- Understand the PDGM impact on OASIS-D and ICD-10 coding
- Detail the ICD-10 coding impact on the Home Health Resource Group (HHRG) under PDGM

Faculty

Data Analytics, Financial & Operations Speaker:

Melinda Gaboury, COS-C - Healthcare Provider Solutions

Clinical & Coding Speaker:

Sharon Litwin, RN, BSMS, MHA - 5 Star Consultants, Inc.
